Chart of the Cranemore Kidds

Constructed from the information in Ch 4 of Franklin Kidd's 1973 typescript

Please note that the page size is about 21 by 30 inches; fitting it to letter size will make the text mostly unreadable; printing it in pieces will take a lot of ink and paper and will cut across lines and boxes. This is intended only for screen viewing, or printing on a large-format printer

- **Kidd, George "of Raheen"** — Birth 1728; Death 12 APR 1812, Newtownbarry, Co. Wexford
